

Kingsmen clinched three awards at the DesignS Gala Dinner & Award Night held on 13 March, at Marina Bay Sands. The Design Business Chamber Singapore (DBCS) presented the SG Good Design Mark to Kingsmen Exhibits for *The People's Collection – a special exhibition* and the SG50 special edition to Kingsmen Design for *Singpost New Generation Post Office*. The SG Good Design Mark recognises companies and individuals who have inculcated good design values in their products and services in order to enhance industrial development and enrich lives responsibly. The SG50 Special Edition is only awarded to products that have evolved with the nation building of Singapore and have a special place in Singaporean's hearts.

In addition, Kingsmen was also named one of Asia's Top Design Practices based on a joint portfolio submission which comprised some of our best works such as BMW World 2014, Metro at Centrepont, Cool de Sac & Bistro Cool, MOS Cafe Rokakku Karasuma, Famille Station, 50 Greatest Photographs of National Geographic and KAI at DX Korea 2014.
